April 26, 1999

To Whom It May Concern:

I oppose the Draft Memorandum being proposed by the Federal Drug Administration. In particular, I object to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

I currently order the natural Progesterone through the mail at an affordable price because I cannot buy this product in my city at a fair price.

Sincerely,

Renee M. Kuerbis
